PRESS RELEASE

SecureTech to Attend Las Vegas AAPEX and SEMA Shows

Roseville, Minnesota – October 29, 2018 – SecureTech Innovations, Inc., an emerging growth company focused on developing and marketing personal and automobile security and safety devices and technologies, announces it will be attending the upcoming AAPEX and SEMA Shows in Las Vegas later this week.

The AAPEX and SEMA Shows are the premier automotive specialty product trade events in the world. Both shows are trade-only events and are not open to the general public. The SEMA Show attracted over 70,000 domestic and international buyers in 2017 and the AAPEX show is expected to draw in over 162,000 aftermarket automotive professionals from around the world.

SecureTech will be attending these two trade shows to facilitate key industry relationships for the upcoming launch of its Top Kontrol anti-theft/anti-carjacking product. In addition, SecureTech will start laying the groundwork for demonstrating and exhibiting its Top Kontrol product in next year's shows.

About the SEMA Show

The SEMA Show is the premier automotive specialty products trade event in the world taking place between October 30, 2018 and November 2, 2018. It draws the industry's brightest minds and hottest products to one place, the Las Vegas Convention Center. In addition, the SEMA Show provides attendees with educational seminars, product demonstrations, special events, networking opportunities and more. For more information, visit www.semashow.com.

About the AAPEX Show

AAPEX 2018 will feature more than 2,500 exhibiting companies displaying the latest products, services and technologies. More than 47,000 targeted buyers are expected to attend, and approximately 162,000 automotive aftermarket professionals from 135 countries are projected to be in Las Vegas during AAPEX 2018. For more information, visit www.aapexshow.com.

About SecureTech Innovations

SecureTech is an emerging growth company focused on developing and marketing personal and automobile security and safety devices and technologies. SecureTech is the maker of Top Kontrol, the only anti-theft and personal safety automobile device known that can safely stop a carjacking without any action by driver. For more information, visit www.securetechinnovations.com.
