PRESS RELEASE

SecureTech Announces US FCC Regulatory Approval for Top Kontrol®

Roseville, Minnesota – March 23, 2020 – SecureTech Innovations, Inc., an emerging growth company focused on developing and marketing personal and automobile security and safety devices and technologies, announces that after nine long months of working with our Federal Communications Commission (FCC) filing agent, Oznum LLC, and undergoing rigorous laboratory testing by SGS Laboratories, our Top Kontrol® product has received FCC Declaration of Conformity certification and been assigned FCC ID: 2AU6QTK-100, a copy of which can be viewed at <https://fccid.io/2AU6QTK-100> and under SecureTech’s FCC FRN number [0028992121](https://www.fcc.gov/eetd/fccrm/frn/0028992121).

Kao Lee, SecureTech’s President and CEO, stated, “This is a momentous occasion for SecureTech. While we have been planning and strategizing for a phased rollout of Top Kontrol®, we have had to be extremely patient during this nine-month regulatory review and independent testing process. However, now that we can legally sell Top Kontrol® in the United States we will start rolling out this much-anticipated product.”

Mr. Lee added, “I would like to take this moment to say thank you to all of our loyal shareholders for being so patient and understanding during this prolonged regulatory approval process. I very much look forward to sharing additional news as we continue to achieve critical milestones during this exciting period for SecureTech.”

About SecureTech Innovations

SecureTech is an emerging growth company focused on developing and marketing personal and automobile security and safety devices and technologies. SecureTech is the maker of Top Kontrol®, the only anti-theft and personal safety automobile device known that can safely stop a carjacking without any action by the driver.
