PRESS RELEASE

SecureTech Announces Several New Job Openings

Roseville, Minnesota – September 23, 2020 – SecureTech Innovations, Inc., an emerging growth company focused on developing and marketing personal and automobile security and safety devices and technologies, announces that it has expanded its corporate website to include a new job openings portal. The focus of this new portal is to assist SecureTech with ongoing efforts to fill newly created job openings with top-tiered candidates quickly.

Kao Lee, SecureTech’s President and CEO, stated, “SecureTech is entering its next phase of growth. We are looking to attract highly qualified individuals to join the SecureTech team. In particular, we are seeking career-minded people with proven success and experience in the areas of customer service, sales, and automotive technology. Although these initial listings on our new jobs portal are for the St. Paul/Minneapolis region, we have our eyes on expanding manufacturing, warehousing, and shipping into tax-free Florida and elsewhere. Please feel free to sign up with Human Resources through the jobs portal to be automatically notified by email about future job listings.”

“One thing to keep in mind is that we are especially looking for candidates that are seeking a long-term career with SecureTech. We here at SecureTech prefer to reward hard work, initiative, and demonstrated leadership by promoting homegrown talent from within,” added Mr. Lee.

About SecureTech Innovations

SecureTech is an emerging growth company focused on developing and marketing personal and automobile security and safety devices and technologies – our products preserve life, protect property, and prevent crime. SecureTech is the maker of [Top Kontrol®](#), the only anti-theft and anti-carjacking system known that can safely stop a carjacking without any action by the driver. For more information, visit www.securetechinnovations.com and www.topkontrol.com.
